PROFILE

As a native of Portland with a background in commercial construction, Tyler has a unique understanding of the Portland market. With experience in industrial, office, retail, and development projects, Tyler prides himself on his creative approach to each deal.

With the Portland MSA being his primary area of expertise, Tyler has represented landlords and tenants in deals throughout the Portland Metropolitan area and other outlying areas, including the Willamette Valley and Southern Oregon.

EDUCATION

Oregon State University
Bachelor of Science in Construction Engineering Management
